

Agreed Performance Statement

From 1st July 2007, the ACHS Terms and Conditions includes the introduction of a policy regarding compulsory public disclosure of an individual organisation's accreditation results.

The ACHS strongly believes in the public availability of appropriate information resulting from accreditation surveys, and is actively encouraging all members to make this information available to interested parties, most notably consumers.

Name of member organisation:	Adori Day Clinic
Org Code :	16 09 44
Date :	10 May 2011

Organisation Comments

Adori Day Clinic is a multidisciplinary unit situated in multi cultural Auburn one of the fastest growing suburbs in Western Sydney with high rate of unemployment. The vision of the clinic is to provide safe day surgery at affordable fees that take in consideration the socio-economic status of this suburb and its surround. The staff at Adori Day clinic reflect the community. We are multi ethnic and multi linguist and multi religious. In our delivery of services we take the needs of the community at heart. We provide basic necessary day surgery procedures with safety and quality care. The clinic has been functioning for the last 16 years and has always been accredited.

Survey Coordinator Comments

Adori Day Clinic is a small Day Clinic that aims to give good care to the patients through improving the quality of care and minimising risk.
