Consulting and Advisory Services

Bringing a wealth of valuable accreditation standards experience to you

Assisting Private Healthcare Facilities (PHF) prepare for Hong Kong Department of Health Standards Requirements

Is your Day Procedure Centre or Medical Clinic in need of assistance preparing for the Hong Kong Department of Health DOH Private Health Facility regulatory standards?

ACHS International's (ACHSI) experienced Hong Kong based ACHS consultants are available to provide both offsite and onsite support to your organisation to meet the relevant PHF standards.

Our consultants are experienced in all relevant standards from infection control to governance to surgical safety.

Simultaneously, we can also assist your organisation with future achievement of ACHS quality programs such as the ACHS Recognition Award to certain modules i.e. infection control, care planning, and incident management.

If you are interested in a proposal for our consulting services, please contact Michael Giuliano (mlg@achs.org.au)
